

9th MSERM Workshop

Endometriosis and Infertility

INTERNATIONAL ACCREDITATIONS :

Accreditation of the Council for the Medical Assessment of European Specialists (CESMA)

MSERM's Association Council Union (MACU) Accreditation Continuing Medical Education and Certificates, (ACMEC)

American Association of Continuing Medical Education (AACME)

Sunday, 09 April, 2023

08:00 am - 16:40 am

Via Online Meeting

PRELIMINARY PROGRAM

After a successful MSERM Workshop "Ovarian Endometriosis" on April 22, 2022, welcomed post-lockdown meeting Online 2022.

We hope to repeat the success by offering you a warm, friendly, and exciting setting in one of the most beautiful cities in Morocco "Casablanca" in what is probably the best month of the year to visit our country. The days are long, the light is exceptional and the air is warm (we hope!).

◆ Our Speakers

Dr. Norbert Gleicher
Medical Director & Chief Scientist

Prof. George Griesinger
Professor at Luebeck University
and chair at the Department
of Gynecological Endocrinology

Dr. Hannah Pierson
PhD in Biomolecular Chemistry

Dr. Sherman Silber
Renowned pioneer in microsurgery
and infertility

Dr. Svetlana Dubrovina
Department of Obstetrics
and Gynecology

Dr. Francesca Duncan
Assistant Professor
of Clinical Medicine

Dr. Ameet Patki
The Medical Director
of Fertility Associates

Dr. Norbert Gleicher
Professor for communications
and signal theory

Dr. Human Fatemi
Reproductive Medicine
and Surgery

Dr. Ziv Tsafrir
Gynecologic Endoscopic
Service Department of Obstetrics
and Gynecology

Dr. Jason Franasiak
The College of William
& Mary with focus in Biology

Dr. Olivier Donnez
Professor in gynecology,
Head of department at CHU UCL

◆ Our Speakers

Dr. Paul Piette

Besins Healthcare Global
Past Head of Clinical Labo

Prof. Lee P Shulman

Professor of Obstetrics
and Gynecology

Prof. Yacoub Khalaf

Obstetrician and Gynaecologist
Honor President of the MSERM

Prof. Eman Elgindy

Prof. Obstetrics and Gynecology,
Chair of Scientific Committee
of MSERM

Prof. Mohamed A. Bedaiwy

Obstetrics & Gynecology
Reproductive Endocrinology and
Infertility, Reproductive Surgery

Prof. Aboubakr Elnashar

President of Clinical Society
of Obstetrics and Gynecology

Dr. Mohammed Zarqaoui

Professor for communications
and signal theory

Gernot Hudelist

Gynecological Endocrinology
Reproductive Surgery Minimally Invasive Surgeon

◆ Organizing Committee's

Dr. Mustafa Zakaria

Chairman of the Executive
Committee of the MSERM

Prof. Sarah DIVAD

Endoscopic surgeon & Gynecologist
Secretary General of the MSERM

◆ PRELIMINARY PROGRAM

Session 01: Luteal phase and endometrial receptivity & Progesterone in ART

Session Chairs :

Thiers Soares

Endoscopic Surgeon and Gynecologist

Wassym Senhaji

Endoscopic surgeon & Gynecologist
Vice President of the MSERM

Time	Lecture	Speaker
08:00 - 08:20	Luteal support	Lee Shulman 
08:20 - 08:40	The pharmacodynamics and safety of progesterone in ART, what clinicians should know	Paul Piette 
08:40 - 09:00	The Value of Dynamic Ultrasound in Endometriosis	Mohamed Bedaiwy 
09:00 - 09:20	The role of progestin in the luteal support treatment	George Griesinger 

Session 02: Endometriosis and infertility

Session Chairs :

Moncef Benkhalifa

Prof of Reproductive Medicine and
Developmental Biology

Yassir Ait Benkaddour

Endoscopic surgeon & Gynecologist
CHU Mohammed VI - Marrakech

Time	Lecture	Speaker
09:20 - 09:40	The use of oral GnRH antagonists	Ziv Tsafir, Israel 
09:40 - 10:00	The most promising data of using progestogens among women with endometriosis and infertility	Svetlana Dubrovina 
10:00 - 10:20	Surgery for colorectal and sacral root endometriosis intermediate and long term outcomes.	Gernot Hudelist 
10:20 - 10:40	Endometriosis and ART: What are the best strategies?	Eman Elgindy 

◆ PRELIMINARY PROGRAM

Session 03: Ovarian response

Session Chairs :

Ilham Ratbi

Professor of genetics at the Faculty of
Medicine and Pharmacy

Eman Eigendy

Chair of Scientific Committee
of MSERM

Time	Lecture	Speaker
10:40 - 11:00	How endometrial receptivity tests may impact the IVF outcome?	Yacoub khalaf 
11:00 - 11:20	The role of AMH in reproductive medicine : A critical review	Human Fatemi 
11:20 - 11:40	The effectiveness of "rebounding" if patients do not respond at all to ovarian stimulation	Norbert Gleicher 
11:40 - 12:00	LH for ovulation induction	Robert Fischer 
12:00 - 12:40	Discussion	12:40 - 13:00 Breack

Session 04 : implantation and supportive of pregnancy with progesterone

Session Chairs :

Bahar Yüksel Özgör

Nesta private Clinic
Obstetrics and Gynecology

Cyntia Duval

Scientific researcher
interested in embryology

Time	Lecture	Speaker
13:00 - 13:20	Ultrasound Based Endometrial Receptivity Scoring Improves In Vitro Fertilization Pregnancy Rates	Hannah Pierson 
13:20 - 13:40	Recurrent implantation failure: Is it the embryo or the endometrium?	Jason Franasiak 
13:40 - 14:00	Progesterone – Is it a spoilsport or a Game changer in ART	Ameet Patki 
14:00 - 14:20	Management of adolescent endometrioma	Aboubakr Einashar 

◆ PRELIMINARY PROGRAM

Session 05: Reproductive Surgeon & Management of the Ovarian Environment

Session Chairs :

Gernot Hudelist

Gynecological Endocrinology
Reproductive Surgery Minimally Invasive Surgeon

Hamza Ouzaher

Endoscopic surgeon & Gynecologist

Time	Lecture	Speaker
14:20 - 14:40	Mechanism of Primordial Follicle Recruitment : the truth about "ovarian rejuvenation"	Sherman Silber 
15:00 - 15:20	Beyond the gamete: the aging ovarian microenvironment	Francesca Duncan 
15:20 - 15:40	Ovarian stem cells: Mesenchymal stromal cells as supportive to germline stem cells	Evelyn Telfer 
15:40 - 16:00	Ovarian endometriosis surgery	Mohamed Zarqaoui 
16:00 - 16:40	Discussion
